Dear Ms. Quiros:

Thank you for your letter/request, regarding an I-918 application for [REDACTED]
[REDACTED] After careful review, it has been determined
that the Miami Police Department will not be certifying the application.

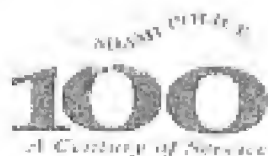

As you may notice on the certification form it reads as follows: **"An agency's decision to provide a certification is entirely discretionary; the agency is under no legal obligation to complete a Form I-918, Supplement B, for any particular alien."**

You may seek certification via an alternate authority as outlined in Part 2, of Form I-918 Supplement B, Instructions. A copy of Form I-918 Supplement B Instructions is enclosed for your convenience.

Sincerely,
